

Minutes of ANBUG Annual General Meeting, 2.40pm Nov 30th 2016

1. The meeting was co-chaired by past-past president Chris Ling and secretary James Hester owing to the unfortunate absence of the past, present and future presidents.
2. The president's report was tabled.
3. Jamie Schulz gave a report on the status of operations at ACNS (formerly the Bragg Institute).
4. Election results: James Hester reported that following the recent elections the new committee members are vice president Tracey Rushmer, and ordinary members Anna Paradowska (industry rep/treasurer), Houman Alipooramirabad (postgrad rep), Katy Wood, Tilo Söhnell and David Cortie. They join incoming president Ian Gentle and past president Erich Kisi. James Hester is stepping down as secretary after the meeting.
5. Other business: at the recent synchrotron users' advisory committee meeting there was considerable support for conducting a joint users' meeting with neutron users. The ANBUG members present were canvassed for their opinions and the general feeling was positive. The new ANBUG executive were tasked to liaise with the synchrotron users' advisory committee to organise a joint meeting in a year's time.
